Quality Systems, Inc. to Present at the 2016 UBS Global Healthcare Conference

IRVINE, Calif.--(BUSINESS WIRE)-- Quality Systems, Inc. (NASDAQ: QSII) announced today that its management plans to present its corporate story at the 2016 UBS Global Healthcare Conference.

The conference is scheduled for Monday, May 23, 2016 - Wednesday, May 25, 2016 at The Grand Hyatt New York in New York City. Quality Systems' President and Chief Executive Officer Rusty Frantz and Chief Financial Officer Jamie Arnold are scheduled to present on Tuesday, May 24, 2016, at 1:00 PM local time. Each participating company is scheduled for a 30-minute presentation, followed by a separate question and answer session.

A web cast of Quality Systems' audio presentation will be available on May 24, 2016 (beginning at the start time of the presentation) and can be viewed by accessing https://cc.talkpoint.com/ubsx001/052316a_ae/?entity=59_V3YKLVt. It will be archived for 90 days.

[About Quality Systems, Inc.](#)

Irvine, Calif.-based Quality Systems, Inc. (QSI) and its subsidiary, NextGen Healthcare Information Systems, develop and provide a range of software and services for medical and dental group practices, including practice management and electronic health record applications, patient portal, interoperability and connectivity products, and population health management and analytics offerings. Services include managed cloud services, revenue cycle management, claims clearinghouse, data interchange and value-add consulting. The Company's solution portfolio is readily integrated and collectively positioned to drive low total cost of ownership for its client partners, as well as enable the transition to value-based healthcare. Visit www.qsii.com and www.nextgen.com for additional information.
