Quality Systems, Inc. to Host Investment Community Analyst Day

Program to be Made Available to Public via Webcast

IRVINE, Calif.--(BUSINESS WIRE)-- [Quality Systems, Inc.](#) (NASDAQ: QSII) announced today it will host a session for those investment community analysts who follow the company on Tuesday, June 7, 2016 at the Le Parker Meridien Hotel in New York City, located at 119 West 56th Street (between 6th and 7th Avenues), 212-245-5000.

The analyst session will be held from 8:30 A.M. - 1:00 P.M. local time. The agenda will feature a corporate presentation and a question and answer session followed by lunch.

The general public can access the session in real-time by visiting www.qsii.com, clicking on [Investors](#), and selecting [Events & Presentations](#). An archive of the analyst session will also be available for 90 days.

For more information and to RSVP, please contact mdavis@nextgen.com by May 27, 2016.

[About Quality Systems, Inc.](#)

Irvine, Calif.-based [Quality Systems, Inc.](#) (QSI) and its subsidiary, NextGen Healthcare Information Systems, develop and provide a range of software and services for medical and dental group practices, including practice management and electronic health record applications, patient portal, interoperability and connectivity products, and population health management and analytics offerings. Services include managed cloud services, revenue cycle management, claims clearinghouse, data interchange and value-add consulting. The Company's solution portfolio is readily integrated and collectively positioned to drive low total cost of ownership for its client partners, as well as enable the transition to value-based healthcare. Visit www.qsii.com and www.nextgen.com for additional information.
