

QUALITY SYSTEMS, INC. TO PRESENT AT THE 20th ANNUAL PIPER JAFFRAY HEALTH CARE CONFERENCE

IRVINE, Calif. ... November 26, 2008 ... Quality Systems, Inc. (NASDAQ: QSII) announced today that its management plans to present its corporate story at the upcoming 20th Annual Piper Jaffray Health Care Conference.

The conference, which will showcase about 250 publicly traded and privately held healthcare companies for institutional investors, is scheduled for Tuesday, December 2nd and Wednesday, December 3rd at The New York Palace Hotel in New York City. Quality Systems' president and chief executive officer, Steven T. Plochocki is scheduled to present on Tuesday, December 2nd, 2008, at 8:30 AM local time. The presentation will address the company's operations, strategy and growth plans. Each participating company is scheduled for a 30-minute presentation, which includes a question and answer session.

A web cast of Quality Systems' audio presentation will be available on December 2nd, 2008 (beginning at the start time of the presentation) and can be viewed by accessing http://www.corporate-ir.net/ireye/conflobby.zhtml?ticker=QSII&item_id=2021104. It will be archived for 30 days.

Piper Jaffray Companies (NYSE: PJC) is a leading, international middle market investment bank and institutional securities firm, serving the needs of middle market corporations, private equity groups, public entities, nonprofit clients and institutional investors. Founded in 1895, Piper Jaffray provides a comprehensive set of products and services, including equity and debt capital markets products; public finance services; mergers and acquisitions advisory services; high-yield and structured products; institutional equity and fixed-income sales and trading; and equity and high-yield research. With headquarters in Minneapolis, Piper Jaffray has 28 offices across the United States and international locations in London, Hong Kong and Shanghai. Piper Jaffray & Co. is the firm's principal operating subsidiary. (www.piperjaffray.com)
