

## NextGen Healthcare to Highlight Interoperability and Health Equity at Top Healthcare Technology Events

March 15, 2023

### **Chief Growth & Strategy Officer Srinivas Velamoor and CMO Dr. Robert Murry to Speak at ViVE and HIMSS**

REMOTE-FIRST COMPANY/ATLANTA--(BUSINESS WIRE)--Mar. 15, 2023-- NextGen Healthcare, Inc. (Nasdaq: NXGN), a leading provider of innovative, cloud-based healthcare technology solutions, today announced its participation in two industry-leading healthcare technology conferences, [ViVE 2023](#) and [HIMSS23](#). The company will showcase how it enables interoperability and health equity across the industry in speaker sessions and booth demonstrations at both events. ViVE brings together senior digital health leaders focusing on the business of healthcare systems, while HIMSS will set the stage for more than 40,000 professionals across the health ecosystem to meet, network, and discover the latest innovations in health tech products.

#### **ViVE 2023 – Nashville, March 26-29**

- NextGen Healthcare is a premiere sponsor of the InteropNOW! pavilion, a hub of interoperability education and collaborative discussion. Visit us at Booth #2102-22. During the show, the company will unveil its latest solution, which delivers interoperability as a managed service in the cloud.
- On Monday, March 27 @ 12:05 p.m., VP Solutions, Interoperability Muhammad Chebli will deliver a case study detailing how NextGen Healthcare client University of Toledo utilizes the [Mirth® Connect](#) integration engine.
- NextGen Healthcare has also been invited to join Snowflake in its Client Showcase, which will be presented Monday, March 27 at 4:40 p.m. on the main stage of the InteropNOW! pavilion.
- NextGen Healthcare Chief Growth & Strategy Officer and Executive Vice President Srinivas Velamoor will lead an Education Session on *“Interoperability as an Outcome”* on Tuesday, March 28 @ 4:05 p.m.

“As the healthcare landscape grows more complex, NextGen Healthcare continues to innovate with technology that eases the burden for providers through seamless integration,” said Velamoor. “Our interoperability solutions are highly performant and flexible, EHR agnostic, and can deliver tangible financial and operational impact for practices.”

#### **HIMSS23 – Chicago, April 17-21**

- Dr. Robert Murry, chief medical officer at NextGen Healthcare, will moderate a panel on *“Reinventing Street Medicine and Expanding Reach with Digital Technology”* on April 18 at noon CST (Session 30, South Building, Level 1 | S105A). NextGen Healthcare clients [Venice Family Clinic](#) and [Neighborhood Health](#) will participate in the discussion, which was also selected to be included in the [HIMSS Health Equity Series](#).
- NextGen Healthcare will again participate in the HIMSS Interoperability Showcase (Booth # 7946-47), where the company will detail how its solutions enable whole-person, integrated care and help practices take on and manage risk through value-based care. Executives including CEO David Sides will be on hand to discuss the company’s latest technology, including enhancements to the NextGen® [Patient Experience Platform](#).

“The panel discussion on delivering care to patients when and where they need it provides a glimpse into how an integrated, technology-rich approach to care – including mobile health, transcription, and virtual visits – can build healthier communities,” said Murry.
