ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD SEPTEMBER 6, 1995

PROXY STATEMENT

SOLICITATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Quality Systems, Inc. (the "Company") for use at the Company's Annual Meeting of Shareholders to be held on Wednesday, September 6, 1995, and at any and all adjournments thereof. All shares represented by each properly executed and unrevoked proxy received in time for the meeting will be voted in the manner specified therein. Any shareholder has the power to revoke his or her proxy at any time before it is voted. A proxy may be revoked by delivering a written notice of revocation to the Secretary of the Company, by submitting prior to or at the meeting a later dated proxy executed by the person executing the prior proxy, or by attendance at the meeting and voting in person by the person executing the proxy.

This proxy statement is being mailed to the Company's shareholders on or about July 25, 1995. The cost of soliciting proxies will be borne by the Company. The solicitation will be made by mail and expenses will include reimbursement paid to brokerage firms and others for their expenses in forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's Common Stock. Further solicitation of proxies may be made by telephone or oral communications with some shareholders. All such further solicitations will be made by the Company's regular employees who will not receive additional compensation for the solicitation.

OUTSTANDING SHARES AND VOTING RIGHTS

Only holders of record of the 4,535,866 shares of the Company's Common Stock outstanding at the close of business on July 12, 1995, are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. A majority of the shares, represented in person or by proxy, will constitute a quorum for the transaction of business. All proxies delivered to the Company will be counted in determining the presence of a quorum, including those providing for abstention or withholding of authority and those delivered by brokers voting without beneficial owner instruction and exercising a non-vote on certain matters. Each shareholder will be entitled to one vote, in person or by proxy, for each share of Common Stock held of record on the record date, except that all shareholders have cumulative voting rights and in the event any shareholder gives notice at the Annual Meeting, prior to the voting, of an intention to cumulate his or her votes in the election of directors, then all shareholders entitled to vote at the Annual Meeting may cumulate their votes in the election of directors. Cumulative voting means that a shareholder has the right to give any one candidate whose name has been properly placed in nomination prior to the voting a number of votes equal to the number of directors to be elected, multiplied by the number of shares such shareholder would otherwise be entitled to vote, or to distribute such votes on the same principle among as many nominees (up to the number of persons to be elected) as the shareholder may wish.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth as of July 12, 1995, certain information as to the number of shares of Common Stock owned, beneficially and of record, by each director, each named executive officer and each person who is known by the Company to own more than five percent of the outstanding shares of Common Stock of the Company, and by all directors and officers of the Company as a group. Except as otherwise indicated, beneficial ownership includes both voting power and investment power.

ELECTION OF DIRECTORS

(PROPOSAL NO. 1)

Directors are elected at each Annual Meeting of Shareholders and hold office until their respective successors are duly elected and qualified. The full Board consists of seven directors. Certain information with respect to the seven nominees for election as directors is set forth below. All of the nominees are now serving as directors and were elected to their present terms of office by the shareholders. Although it is anticipated that each nominee will be available to serve as a director, should any nominee become unavailable to serve, the proxies will be voted for such other persons as may be designated by the Company's Board of Directors.

Unless the authority to vote for directors has been withheld in the proxy, the persons named in the enclosed proxy intend to vote at the Annual Meeting for the election of the nominees presented below. However, discretionary authority to cumulate votes represented by proxies and to cast such votes for any or all of the nominees named below is solicited by the Board of Directors because, in the event nominations are made in opposition to the nominees of the Board of Directors, it is the intention of the persons named in the enclosed proxy to cumulate votes represented by proxies in accordance with their best judgment for individual nominees in order to assure the election of as many of the nominees to the Board of Directors as possible.

In the election of directors, assuming a quorum is present, the seven nominees receiving the highest number of votes cast at the meeting will be elected directors. As a result, proxies voted to "Withhold Authority" and broker non-votes will have no practical effect upon the election of directors, although proxies specifying "Withhold Authority" will be counted for purposes of determining whether a quorum is present, as would proxies delivered by brokers voting without beneficial owner instruction and exercising a non-vote on certain matters.

Except for Sheldon Razin and Janet Razin, who are husband and wife, there are no family relationships between any of the directors, the nominees for election as directors or the executive officers of the Company.
